New Web Page Guides TRICARE Beneficiaries to Behavioral Health Resources

FALLS CHURCH, Va. – A new Web page for TRICARE beneficiaries takes the brainwork out of seeking help.

May is Mental Health Month, and at <http://www.tricare.mil/mentalhealth/> TRICARE is committed to providing beneficiaries with the most up-to-date information about available its behavioral health resources.

About TRICARE Management Activity and the Military Health System

TRICARE Management Activity, the Defense Department activity that administers the health care plan for the uniformed services, retirees and their families, serves more than 9.4 million eligible beneficiaries worldwide in the Military Health System (MHS). The mission of the MHS is to enhance Department of Defense and national security by providing health support for the full range of military operations. The MHS provides quality medical care through a network of providers, military treatment facilities, medical clinics and dental clinics worldwide. For more about the MHS go to www.health.mil.
